

YOUR BLAST MEDIA WAREHOUSE

PLASTIC

About:

Kleen Blast carries a range of quality MIL-SPEC approved bead blasting and plastic blasting media products, which are guaranteed to deliver maximum performance and satisfying results. Whether your goal is to effectively remove paint, coatings, powder coating, sealants, rubber residue from molds, or other stubborn materials via media blast, we carry the right plastic blast media to get the job done.

Our media blasting material consists of T-2 Urea, T-3 Melamine, and T-5 Acrylic, which offer versatility, heavy-duty performance, and gentle yet effective removal, respectively. In addition, we offer hard abrasives such as: glass beads, crushed glass, aluminum oxide, steel shot, and walnut shell.

Typical Applications:

Aircraft/boat/automotive paint stripping, mold cleaning, anti-corrosion coating removal, automotive engine block/components cleaning, electronics circuit board flash removal/etching.
